

Peptide and Peptoid Core Facility Price List (USD)

Peptide Synthesis:

Synthesis Scale	Setup Charge	Residues Charge	HPLC Purification Charge (Per 20 -25 mg of Crude peptide)	Conjugation	Special Chemistry and Reagents
25 umol	\$110	\$24	\$70	Inquire for quote	Inquire for quote
50 umol	\$110	\$25	\$70	Inquire for quote	Inquire for quote
0.1 mmol	\$165	\$30	\$70	Inquire for quote	Inquire for quote
0.25 mmol	\$275	\$36	\$70	Inquire for quote	Inquire for quote
0.50 mmol	\$440	\$38	\$70	Inquire for quote	Inquire for quote

Peptoid Synthesis:

Synthesis Scale	Setup Charge	Residues Charge	HPLC Purification Charge (Per 20 -25 mg of Crude peptoid)	Conjugation	Special Chemistry and Reagents
0.1 mmol	-----	\$45	\$70	Inquire for quote	Inquire for quote
0.25 mmol	-----	\$80	\$70	Inquire for quote	Inquire for quote

- Please inquire prices for certified peptide production (for clinical trial only)
- Custom modifications and large scale (multi-gram) productions are performed on quote basis
- Small scale (4-5 mg crude) panel productions (at least 20 sequences per order) are available at a flat rate of \$24 per residues

Please contact 412-383-9540 for further inquiries
